# **Support Response Times SLA**

Last Modified on 04.06.2025

Depending on the selected support package, the response times differ:

## 1. Standard-level Support

For all support issues relating to Userlane Production Tenants, Userlane will make efforts to respond promptly to all tickets submitted through Userlane's designated support channel, in any event within two (2) Business Days after receipt.

# 2. Premier-level Support

Userlane will provide the following technical support response commitment for all Production Tenants: Response Commitment is the maximum time within which Userlane will respond (via Userlane's Support Channels) to each support issue reported by the customer during business hours.

#### **Incident Levels and Response Times**

# 3. Remedies for Breach of Response Time Commitments

If Userlane fails to meet the response time commitments above, the customer's exclusive remedy and

Userlane's sole obligation will be: (a) for Userlane to make efforts to respond promptly after the customer notifies Userlane that it failed to meet the relevant response time commitment; and (b) if Userlane fails to meet the relevant response time commitments three (3) times during a calendar quarter, for Customer to terminate the applicable Order Form and receive a refund, on a pro-rata basis, of any Fees paid for the Production Tenant(s) that are unused as of the termination effective date.

### 4. Customer Duties

Issues regarding customization or regarding the functionality of specific guides may require the customer to complete a network assessment, and/or give Userlane access to the Customer's network, in order to diagnose the issue.
