

Release Note - User Segmentation for Tooltips

Last Modified on 01.06.2023

Release demo

Your browser does not support HTML5 video.

What is new

Now you can apply user segmentation to display Tooltips (Hints & Beacons) only to specific target groups.

For more information on user segmentation, please check the following [help article](#).

How to find it

In Editor: Create > New Tooltip or click first on Tooltips icon > Create and select Segmentation
